SCHOOL OF NURSING

Dear Mr. Sample,

It's hard to believe, but the School of Nursing class of 2008 is now excitedly preparing to walk across the stage at graduation, take hold of their diplomas, and begin their careers. You are one of the people who truly understand how hard they have worked to reach this milestone, and your generosity has helped them achieve it.

The state of California's recent mandate to increase our enrollment to address the growing nursing shortage has placed new burdens on our budget. The state is providing no scholarship dollars for these new students. To ensure that our new students do not incur undue debt from student loans that might seriously limit their post-graduation opportunities, we believe that we have an obligation to help them with the financial demands of their education in every way possible.

Can you think of a better way to honor our 2008 graduates, and to support the students following in their footsteps, than to **make one additional gift this year?** With the support of many of our alumni and faculty, we have raised \$222,000 this year. There is just one month to go until the end of our fiscal year, and we are very close to meeting our goal of \$235,000. **Your gift of any size can help us get there.**

This fall, a new School of Nursing Honor Roll of Giving will be published, recognizing every member of our faculty and alumni community who has contributed to the School during this fiscal year. Please take a moment to review your biographical information and giving record on the enclosed Alumni Records Update Form, then return it with your donation in the envelope provided, with any necessary corrections marked. We will be sure to acknowledge your gifts accurately in the 2008 Honor Roll.
